As a way to support institutions in their efforts to comply with section 106.45 of the final Title IX Rules, Clery Center has compiled all relevant Title IX training materials from CATS (Clery Act Training Seminar) into one comprehensive document.

Clery Center embraces a multi-disciplinary approach to Clery Act compliance and recognizes there are areas wherein the Clery Act and Title IX intersect. However, we believe that only some training content could be interpreted as Title IX training. As such, institutions requesting materials used in the training of “Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process” are only permitted to download and share this document in the format provided, with Clery Center logo and branding intact and unchanged. Individuals and/or institutions are not authorized to alter, copy, adapt, crop, or otherwise change the materials in any way, nor may they use the materials for training or for any commercial purpose unless expressly provided to the institution by Clery Center for that purpose.
